

My name is Hardik

**when in edit jingles form when I select start time 04:00 to end time 05:00. then in scheduled music why it gives permission to select out of this 04:00 to 05:00. and when click on save jingles then it saved then why it save.**

**When we click on + icon below Any days (Ex: Friday) then in days of week option it auto selects Mon. After save sequence it save in Friday filed correctly.**

**In library of Jingles option when we click on edit option and try to edit then it shows error of failed to upload jingles. It shows error only when we select GLOBAL in Establishment field**
